2022 Pinot Noir *Estate Grown, Rogue Valley, Oregon*

Established in 1976, the Gerber family has been farming grapes for over forty years, specializing in Alsace white varieties and Pinot Noir, which are especially well suited to our microclimate. Foris wines are defined by the unique alpine location of our estate vineyards at 1500 feet elevation. Located in the southwestern region of the Rogue Valley AVA, our wines are a true expression of the unique soils and alpine climate of the Illinois Valley in Rogue Valley, Oregon.

The 2022 vintage was an interesting Oregon vintage that ranged widely from a cold frost in mid April to a warm finish in October. The early frost had varying effects on bud break dependent on variety and location. There was plenty of precipitation and very cool temperatures, but good bloom conditions and generous fruit set. We ultimately finished with good amounts of fruit, but small clusters and berries that ripened well in the unexpectedly warm fall temperatures in September and October. This unusual combination led to good flavors, despite the delayed start, and the quickest picking window in the last five years.

Our 2022 Pinot Noir is 100% estate, from our Cedar Ranch and Maple Ranch vineyards. The fruit was hand-harvested, de-stemmed, and fermented whole berry in small open-top fermentation bins. The three-quarter ton bins are gently punched down for the duration of the 10 to 14 day fermentation. Once primary fermentation is complete, the wine is racked to French oak barrels (7% once filled) for 10 months of barrel aging.

Ruby red in the glass, our 2022 Pinot Noir has aromas of blueberry, blackberry, and cherry. Medium bodied on the palate, it offers a mixture of fresh cherry compote, red currant, white pepper, and lingering rich flavors of black cherry liqueur.
